

How DDA Engineers Helped Build Miami in 50 Years

1969

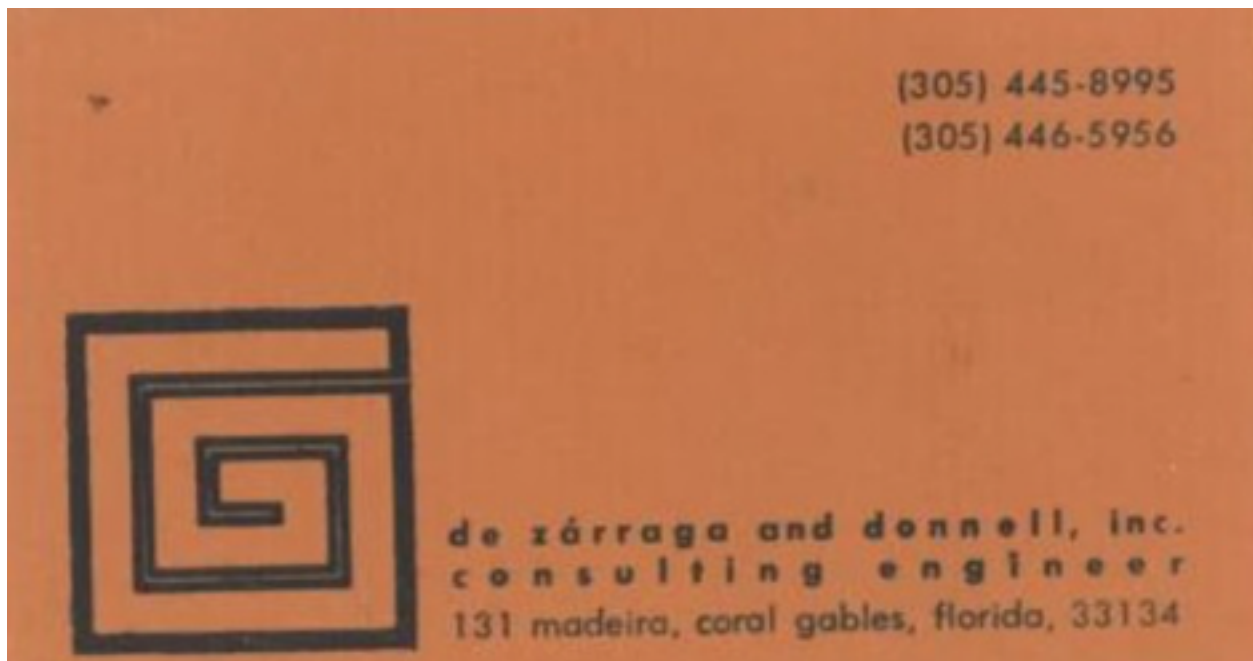

Gaston de Zarraga, Associates is formed.

Starting on February 1st, Gaston de Zarraga and Ramon Donnell open their structural consulting engineering firm and name it Gaston de Zarraga, Associates located at 800 Douglas Road in Coral Gables. They had been working together at Fernandino and Grafton, a large local AE firm.

First notable projects include the Haft-Gaines Corporation Apartments and Country Club - Jacaranda.

1970	Notable projects included City National Bank of Hallandale and the Key Biscayne Country Club
1972	Firm name change to De Zarraga and Donnell, Inc.

1973

Pedro DuQuesne joins the firm.

Firm designed its first high rise towers in Mirasol Ocean Towers and Mar del Plata Condominium, both built in Miami Beach.

Firm awarded City of Miami Police Headquarters, its first major public/governmental project.

Notable projects included a major addition to Flagler Kennel Club along with new Kendal Club in Naples, Bonita springs Kennel Club and the Hilton Hotel in Long Boat Key, Sarasota, Florida

1974

Firm awarded its first Miami Dade County Public Schools project, Edison Senior High

Pedro DuQuesne named a partner of the firm

1977

Just having completed Threshold Inspection services for Phase I of Key Colony in Key Biscayne, Florida, the firm is awarded the complete design and inspections services for Key Colony phases II thru IV

1978	Firm awarded the design of City of Miami City Hall
1979	Firm awarded the design of one of the first Rapid Transit Stations under a major public transit project for the county today known as Metro Rail. It would go on to design 4 stations: Dadeland South, Northside, Santa Clara and Okeechobee

1982	Firm name changes to DeZarraga, Donnell and DuQuesne
------	--

Notable projects include a major expansion of Dadeland Mall and the design of Fisher Island, Phase I, an exclusive resort community off the coast of Miami.

1983

Firm awarded first work at Miami international Airport: Concourse "F"
